*Conditions.*

1. The Divisional Forest Officer does not bind himself to accept the highest or any offer for any lot or to give any reason for such non-acceptance.

2. The sale of any lot, the value of which exceeds Rs. 5,000 shall not be complete until confirmed by the Conservator of Forests, Bengal.

3. The purchaser whose offer is accepted by the officer holding the sale must deposit earnest money of Rs. 300 for each lot and in the event of the sale being confirmed the earnest money will be retained as part of the security deposit. If two or more lots be taken by the same purchaser, the Divisional Forest Officer may relax this condition in such individual case and to such an extent as he deems fit, subject to the proviso that in any case the minimum earnest money payable is Rs. 300. In the event of the sale not being confirmed, the earnest money will be returned.

4. A security deposit of 15 per cent. of the purchase-price must be deposited within 10 days of the confirmation of the sale. In the event of the security deposit being less than Rs. 300, the difference between the security and earnest money will be credited towards the first instalment.

5. Failure to complete the payment of security deposit by the prescribed date will render the purchaser liable to the forfeiture of his earnest money and failure to execute the agreement within one month of receiving the same will render the purchaser liable to the forfeiture of the security deposit.

6. The lot or lots so affected shall be resold by public auction at the discretion of the Divisional Forest Officer, and the purchaser shall be liable for any loss to Government on such resale.

7. Purchasers will be required to execute agreements in the printed form for outright sales (copies of which may be seen in the Divisional Forest Offices, Jalpaiguri, Buxa, Kurseong, Kalimpong and Darjeeling).

## PUBLIC SERVICE COMMISSION, BENGAL.

## NOTICE.

A competitive examination for direct appointment to the Bengal Civil Service (Executive), and the Bengal Junior Civil Service will be held in Calcutta in February 1939 in accordance with Rule IX of the Bengal Provincial Services Recruitment Rules, published in notification No. 7183A. dated the 22nd May 1930.

2. *Vacancies.*—The number of vacancies to be filled on the result of this examination will be as follows :—

|  |    |    |    |    |
|--|----|----|----|----|
| Bengal Civil Service (Executive)               | .. | .. | .. | 7  |
| Bengal Junior Civil Service                    | .. | .. | .. | 42 |
| Upper Division of Secretariat clerical service | .. | .. | .. | 6  |

It is open to Government to fill from this examination any additional vacancies which may occur in these services or in the Bengal Police Service, the Bengal Excise Service, or the Bengal Junior Excise Service up to the date of the examination or within such period thereafter as Government may think fit to prescribe.

Each candidate will be required to specify in his application the service or services for which he desires to compete, placing them in the order of his preference, and the choice thus indicated will be final. Appointments will be assigned to successful competitors with due consideration to their choice and the number of vacancies in the services.

3. *Qualifications.*—The indispensable qualifications of a candidate are—

- (i) that he is a native of Bengal or has a permanent domicile within the Presidency of Bengal ;
- (ii) that he is a natural born subject of His Majesty, or of an Indian State in respect of whom the Governor-General in Council has made a declaration under section 262 of the Government of India Act, 1935 ;
- (iii) that he shall have attained the age of 22 and shall not have attained the age of 25 on the 1st October, 1938.
- (iv) that he is a graduate of a recognised University ;
- (v) that he is of good character ; and
- (vi) that he is of sound health, good physique, active habits and free from organic defects or bodily infirmity.

Along with his application every candidate shall submit proof of his age as explained in the form of application and certificates, written not more than one year prior to the date of his application, from two responsible persons unconnected with his College or University, and not related to him, testifying to his private character and stating that he is a native of or has a permanent domicile within the Province of Bengal. The age limits can in no case be relaxed.

Copies of the certificates attested by the nominating authorities or by responsible persons may be submitted.

4. *Applications—Method of submission of fee, etc.*—(i) A person desiring to be admitted to the examination shall apply before the 15th November 1938 to the head of the college from which he passed his examination for the degree of Bachelor of Arts, Science, Commerce, etc. A candidate who passed the examination as a non-collegiate student shall send in his application to the Registrar, Calcutta University, together with a certificate of character signed by the Principal of his college if he was connected with one, and by the Magistrate of the district in which he is resident in other cases ; candidates from the Dacca University shall apply to the Registrar, Dacca University. All other candidates (not included in the previously mentioned categories) shall apply to the Director of Public Instruction, Bengal, Writers' Buildings, Calcutta :

Provided that in no case shall a candidate apply to more than one of these authorities, and that such applications shall always be made through their Durbars by persons resident in a State in India.

(ii) Applications shall be made, in the form shown in Schedule I, copies of which may be obtained from the Heads of Colleges, the Registrars of the Calcutta and Dacca Universities, and the Director of Public Instruction, Bengal.

(iii) No application will be taken into consideration by the nominating authority unless it is accompanied by a chalan showing payment into a Government treasury in Bengal of the sum of Rs. 5. This payment is obligatory whether such application is subsequently rejected or not and no claim for a refund of this fee will be entertained. *Applications stamped with postage stamps will not be accepted.*

(iv) No allegation that an application form or letter respecting such form, has been lost or delayed in the post will be considered unless the person making such allegation produces a Post Office registration receipt or certificate of posting. Candidates who delay their applications until a late date will do so at their own risk.

5. *Nomination.*—The heads of colleges, the Registrars of the Calcutta and Dacca Universities and the Director of Public Instruction, Bengal, shall forward to the Secretary, Public Service

Commission, Bengal, before the 25th November 1938, the applications of candidates nominated in accordance with the allotment of nominations shown in Schedule II and shall certify the moral character, of each candidate so nominated. The application of non-collegiate students nominated by the Registrar of the Calcutta University should be supported by the character certificates mentioned in paragraph 3 above. In making these nominations, due regard should be paid to the desirability of different classes and communities being represented in the public service. Care should be taken to nominate only such candidates as are likely to pass the medical examination since experience shows that a considerable number of candidates successful in the literary examination fail to pass the medical test.

6. **Selection certificates.**—The Public Service Commission will issue certificates of selection to such of the nominated candidates, not exceeding 350 in all, as they consider, qualified to appear at the examination. The selection or rejection of a candidate by the Commission shall be final, and no candidate shall be admitted to the examination unless he holds such a certificate :

In making their choice the Public Service Commission will give all possible consideration to the cases of candidates of the minority communities and the backward classes and shall call for further nominations from the heads of colleges or Commissioners of Divisions if the number of selected Muhammadan candidates does not reach 45 per cent. of the total number selected.

7. **Particulars of candidates.**—The Public Service Commission may require such further proof or particulars from the candidates as they may consider necessary, and may make enquiries regarding their character and domicile.

8. **Examination fee and time-table.**—Every candidate to whom a certificate of selection has been issued will, within a week from the date of its receipt, deposit into a Government treasury in Bengal a sum of Rs. 50 as examination fee and forward the receipt for the same to the Secretary, Public Service Commission, Bengal. No part of the fee will be returnable to a candidate. Delay in this respect may render a candidate's name liable to removal from the list of examinees. On complying with this requirement, the candidates will receive from the Secretary a time-table for the examination. The examination will commence on the 13th February 1939, and will be held at the Town Hall and the Presidency College, Calcutta.

9. **Canvassing.**—Any attempt on the part of a candidate to enlist support for his application through persons of influence or officials of Government will disqualify him for appointment. Spontaneous recommendations from persons interested in the candidates, or otherwise known to them, will be disregarded.

10. **Ineligibility of Government servants.**—No person holding a substantive appointment in Government service or an appointment on probation against a substantive vacancy under Government will ordinarily be eligible to appear at the competitive examination. Persons holding purely temporary posts under Government should submit their applications in the manner prescribed in paragraph 4 above.

11. **Syllabus of examination and marks.**—The examinations will be held in the subjects and according to the syllabus shown in Schedule III which also indicates the numerical value to be attached to each paper at the examination.

As the possession of a knowledge of a provincial vernacular is an essential condition of appointment, candidates, whose ordinary spoken and written language is not Bengali, must take up translation from English into one of the provincial vernaculars named below :—

- |              |              |
|--------------|--------------|
| (i) Bengali, | (iii) Urdu,  |
| (ii) Hindi,  | (iv) Nepali, |

and *vice versa* in the compulsory paper. Successful candidates, however, who have offered any language other than Bengali in that paper and are appointed to a service for which there is a Departmental Examination, will be required to pass completely the Departmental Examinations in Bengali within two years of the date of their appointment to the service.

12. **Medical Examination.**—As soon as the result of the examinations have been declared, a proportion of the candidates who have qualified will be called upon to appear before a Medical Board for a certificate of their fitness for Government service in form A of Schedule IV of the Bengal Provincial Services Recruitment Rules. An order to appear before the Medical Board must not however be understood to mean that the candidate, if found fit, will necessarily receive an appointment as the number of candidates who will be summoned for medical examination will be slightly in excess of the total number of vacancies, and the question of his appointment will depend upon the results of the medical examination taken as a whole. The regulations governing the physical examination of candidates are set forth in Schedule IV of the Bengal Provincial Services Recruitment Rules and intending candidates are advised before they apply for admission to the examination to satisfy themselves that they are likely to qualify as physically fit under those regulations, for experience has shown that a considerable number of the candidates at the competitive examinations are subsequently rejected by the Medical Board as unfit.

F. AHMAD,

Secretary, Public Service Commission, Bengal.

The 8th September 1938.

The form should be filled up in the candidates' own handwriting and returned by the 15th November 1938 to the Principal of the College by collegiate students, to the Registrar, Calcutta University, by non-collegiate students, to the Registrar, Dacca University, by candidates from that University, and to the Director of Public Instruction, by all other candidates.

The age of a candidate as recorded on entering his University is regarded as correct unless there is a proof to the contrary. If a candidate claims that his age is other than as so recorded, he must submit with his application the evidence on which he bases his claim. In such a case the Public Service Commission, Bengal, will require among other evidence a satisfactory explanation of the circumstances in which a wrong age was recorded at the time of entry into the University. They will also require a statement of any attempts made by the candidate to have the University record amended and of the results of such attempts. The statement of age must tally with the statement of age made in any previous application of this nature and will be deemed absolutely final. No revision of such a declaration will be allowed at a later period for any purpose whatever.

7. Every candidate must submit with his application a chalan showing payment into a Government treasury in Bengal of the sum of Rs. 5.
